Time Out From School

School opened with a bang this year. The first Friday of the school year was spent as an unplanned vacation day for students and faculty. Thanks to Hurricane Fran, Prince George and other local schools were closed. Due to a lack of power and water and downed trees, school officials felt it was too risky to travel to school. Many students spent their weekend cleaning up the aftermath, raking leaves and picking up branches.

U.S. Park Rangers clean up after Fran.

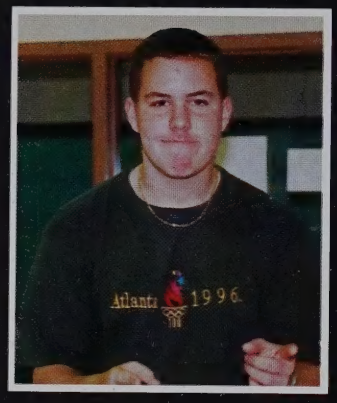
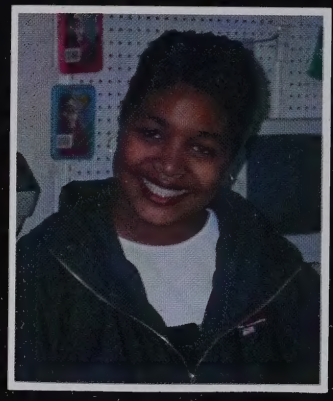
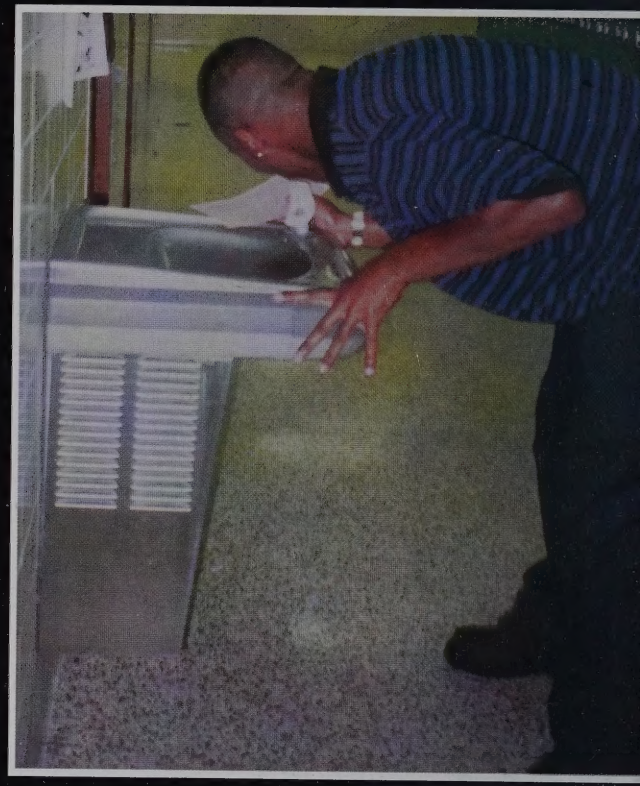
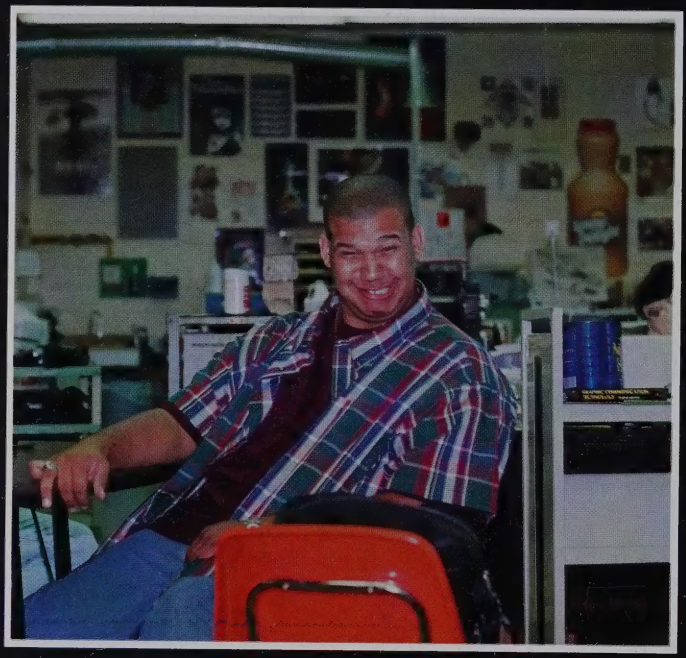
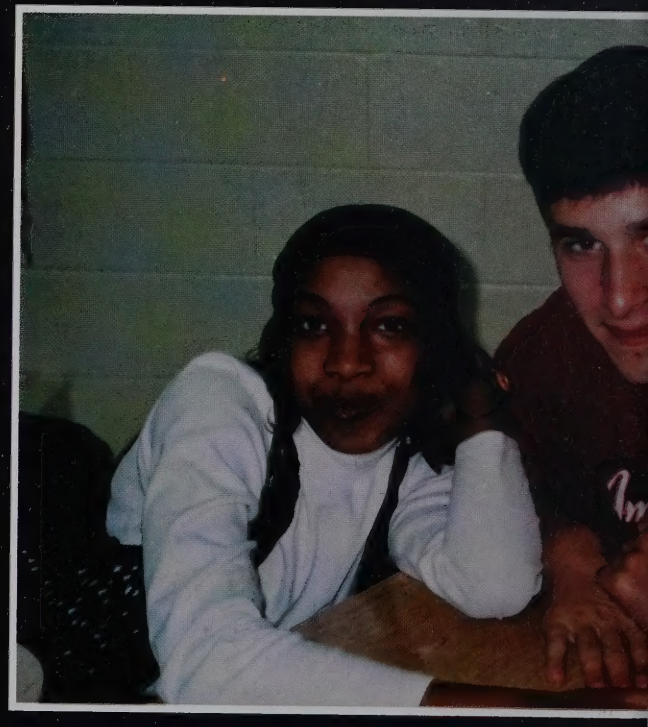
Student Life

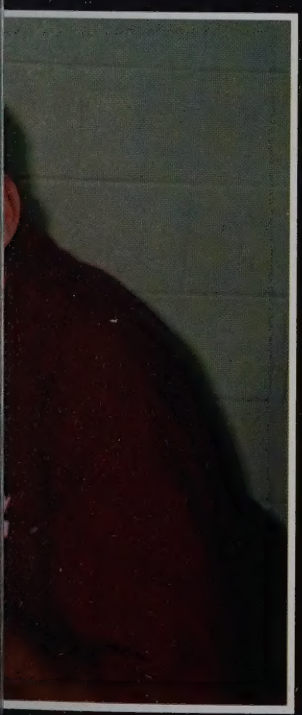


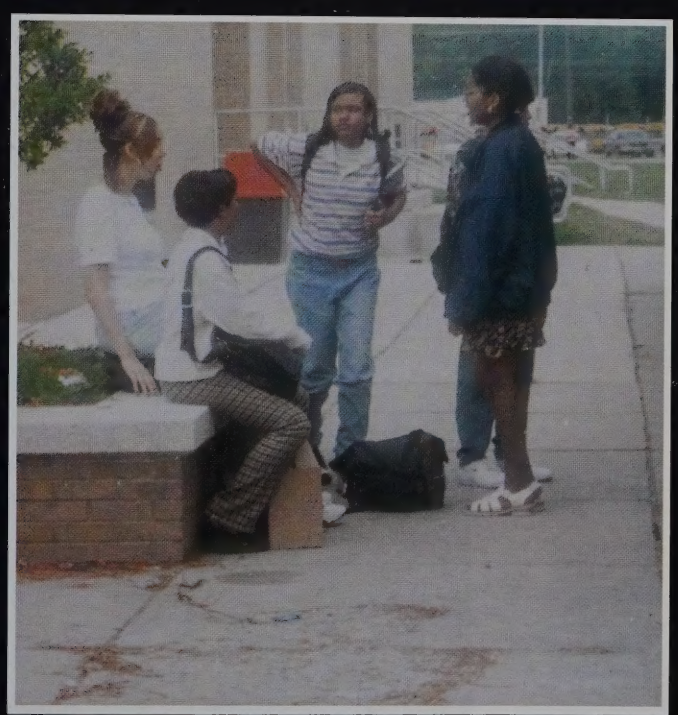








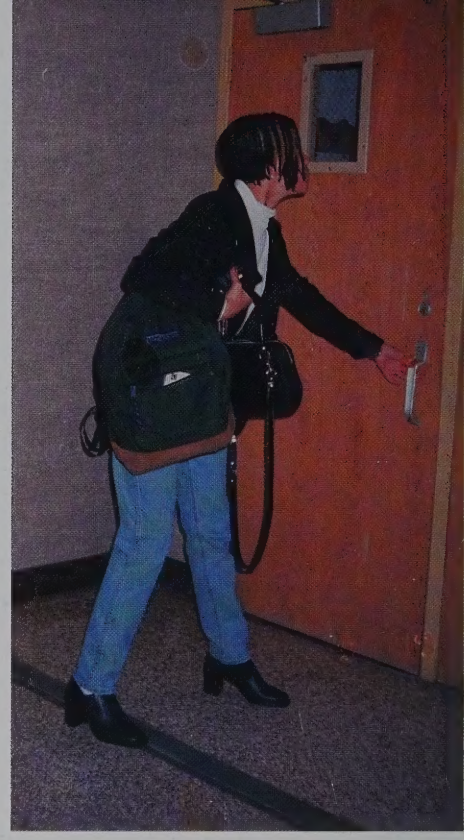




Zero Hour Zombies

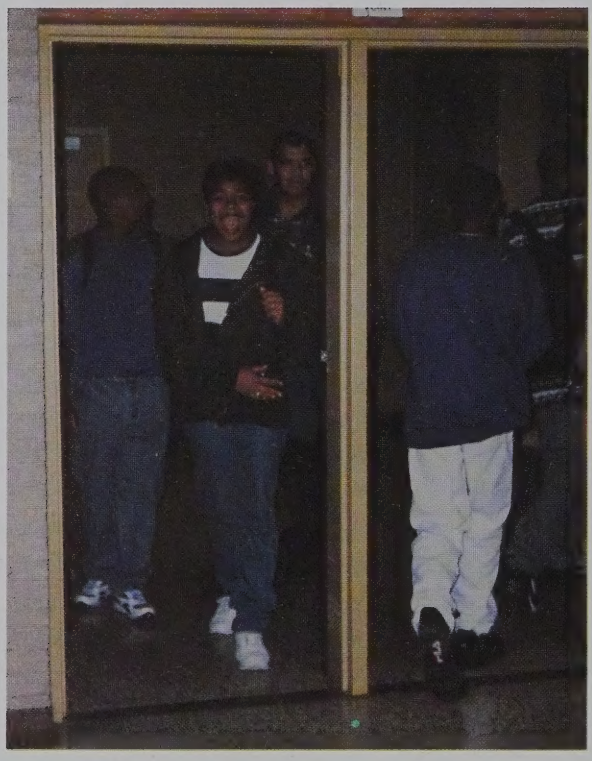
Prince George High was introduced to a lot of new additions; one of which was the Zero Hour class. Getting to school so early seemed crazy to some people and to others it wasn't half bad. As the sun rose, Prince George students awoke to an earlier day of learning. You could have a full schedule of seven classes or just leave school early at 1:25.

Most students thought zero hour was a good idea...until they got there. On the other hand, zero hour was a good thing because the halls and the commons were not crowded, and you could walk to class without the traffic. The overall experience will be something that Prince George will never forget.

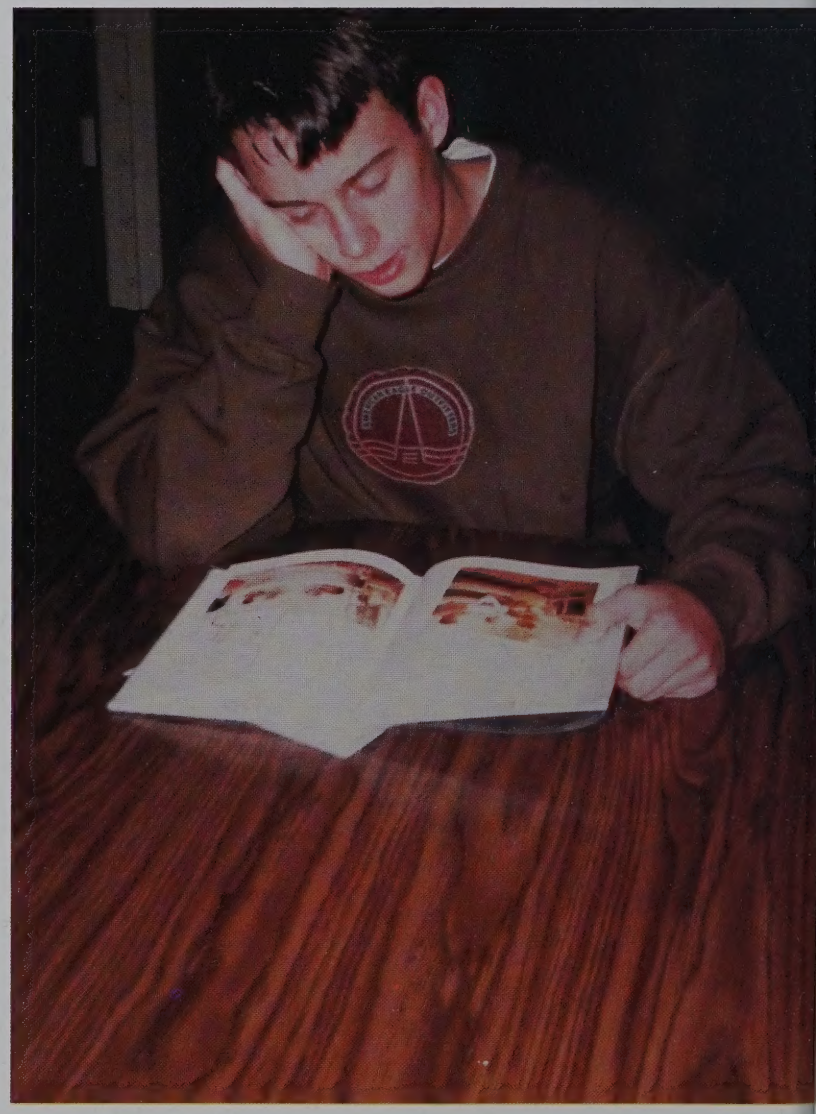


"Let me in! I'm SUPPOSED to be here this early!"

The best time is sleepy time.



Shavonne Thweat expresses the meaning of rise and shine.



"We rose a little too early."

Learning by osmosis.

The Lone Ranger!

"Where is everybody?"

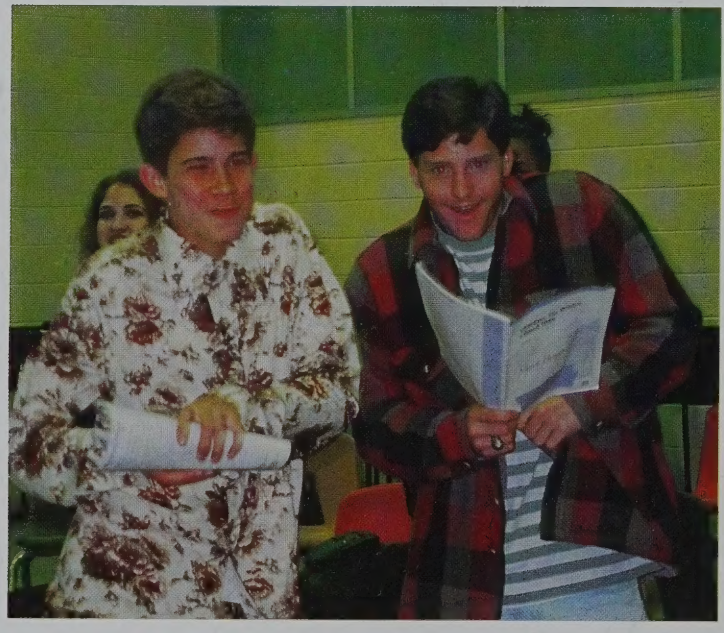
THE CLASS

OF 1997

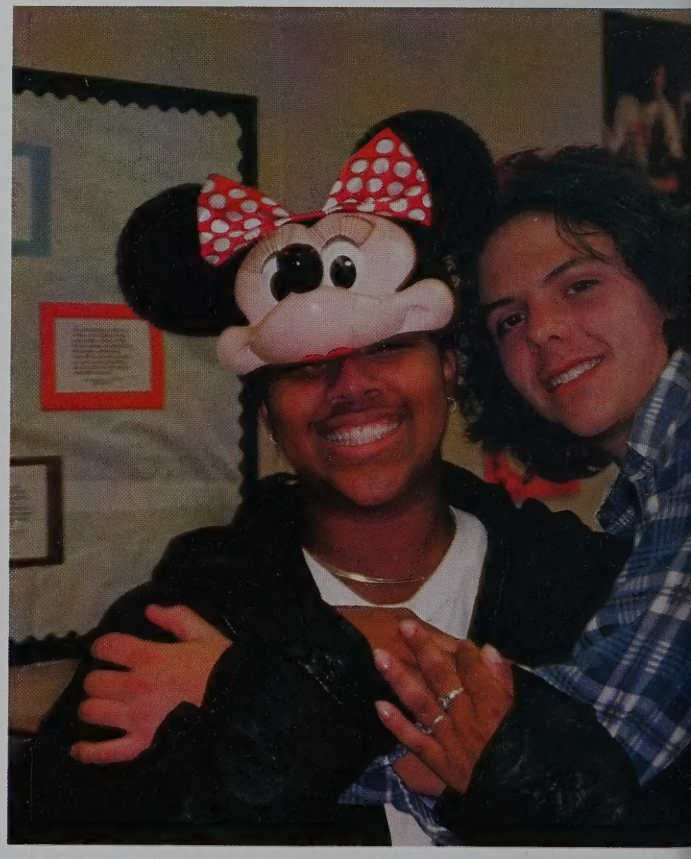
Spirit Week

"I hope my boyfriend's not looking."

Jamie Andrews and Sarah Massey show their spirit by going all out.



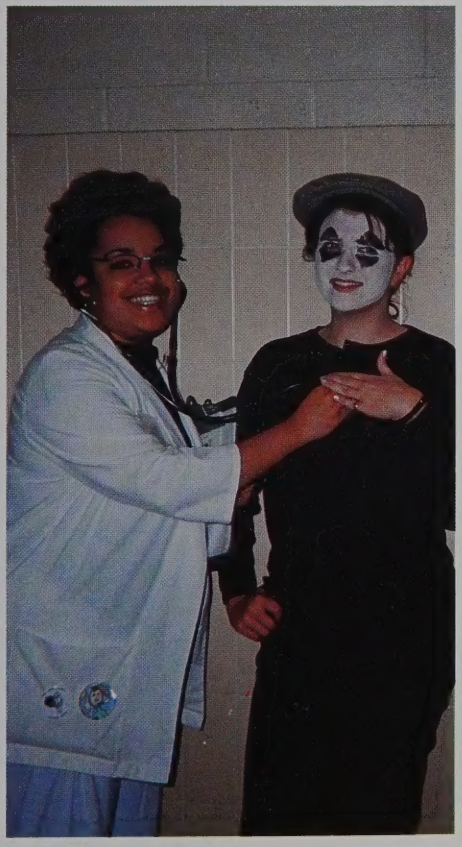
Get down on Mix-Match Day.



Eugene Carrier and Angie Bennett show their spirit on Bad Head Day.

"I'm getting tired of holding this."

"That report's due today! Thank God it's Spirit Week!"



This year at PGHS, Spirit Week was a little different than usual. For the first time in years, there was no gender bender day, in which students dressed as members of the opposite sex just for fun. Many students said that they would rather have had gender bender day than one of the other days. However, we did have mix-match day, psychadelic sixties, career day, bad head day, and the traditional, green and gold day. Overall most students enjoyed showing their school spirit by dressing up for at least one of the days during Spirit Week.

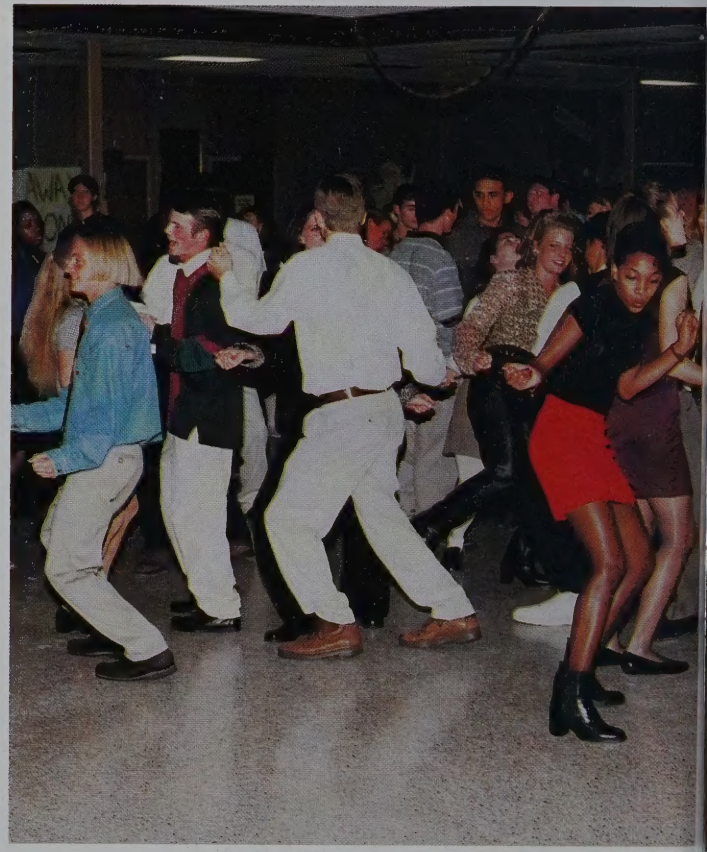
"Is it still ticking, doc?"

Homecoming Game and Dance

Future Queens; Shanta Clayborn, Melissa Crawford, and Rachel McCauley.

Our King and Queen.

Here you go...NOW RUN!



Look! We can still do the twist. Chubby would be proud!

Get out of the way! Here comes...the dynamic duo!

Don't let us beat them too badly.

All we can eat!

Homecoming '96 started off with our Royal football game against Colonial Heights. We won 42 to 14, with Brian Taylor rushing for 248 yards. This was definitely a special occasion. Whitney Shaw was crowned Homecoming Queen 1996 and Dustin Brewer was crowned King. April Powers and Terri Poulson relished their roles as first and second runners-up for Queen. Brian Taylor and Hunter Young were announced as first and second runners-up for King. Shanta Claiborn was the 11th grade Princess. The tenth grade winner was Melissa Crawford, and the ninth grade winner was Rachel McCauley. Congratulations to the entire court in representing our school for the 1996/1997 school year.

The '96 Homecoming Dance held at Prince George High School was a great success. It was sponsored by the PTA and was held to honor the football players and Homecoming Court. Every class was invited to attend, and decorations were used from sections of the four halls. The Homecoming Court had the honor of leading a dance. There was a great turnout for the dance and everyone enjoyed it.

TIME TO CELEBRATE

I don't have the key...I thought you had the key!

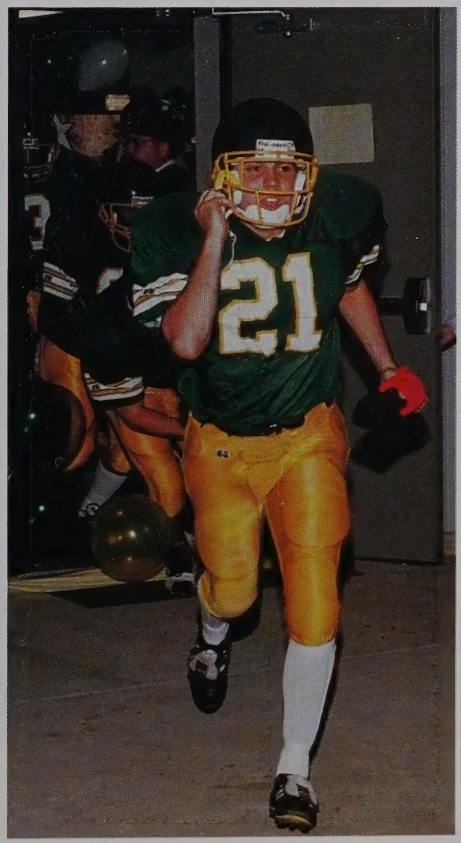
Someday, that'll be MY name on the door!

Oooooohhhh! I wonder what kind of car THIS unlocks!

And behind door number 1 is...

We got da beat!

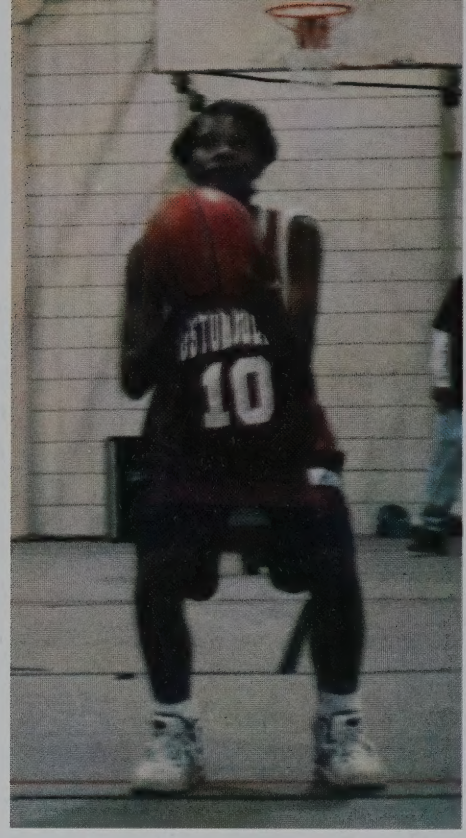
The dedication of Prince George High School's latest addition turned out to be quite an event. The new field house was officially put to use on Nov. 1 and the event brought out many great citizens. Speaking on behalf of the field house founders were Wayne Collins (President of the Booster Club), Anne Hoover (the original founder's wife) and all of Gary N. Hoover's daughters and one granddaughter. Anne Hoover was given the honor of cutting the ribbon to officially open the brand new field house. A dream starts with an idea, and Gary Hoover's dream finally came true. Because of the hard work and dedication of many volunteers, Gary Hoover's legacy will live on in Prince George.



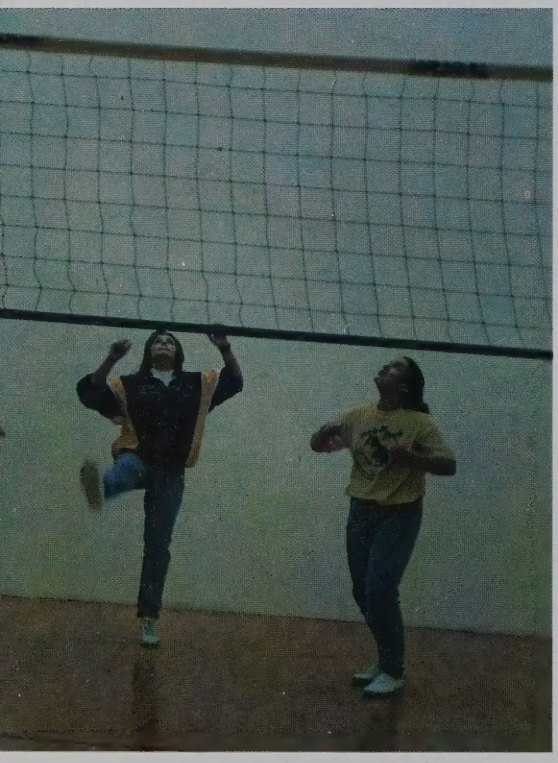
Are you ready for some FOOTBALL!?!??!

Party Time!

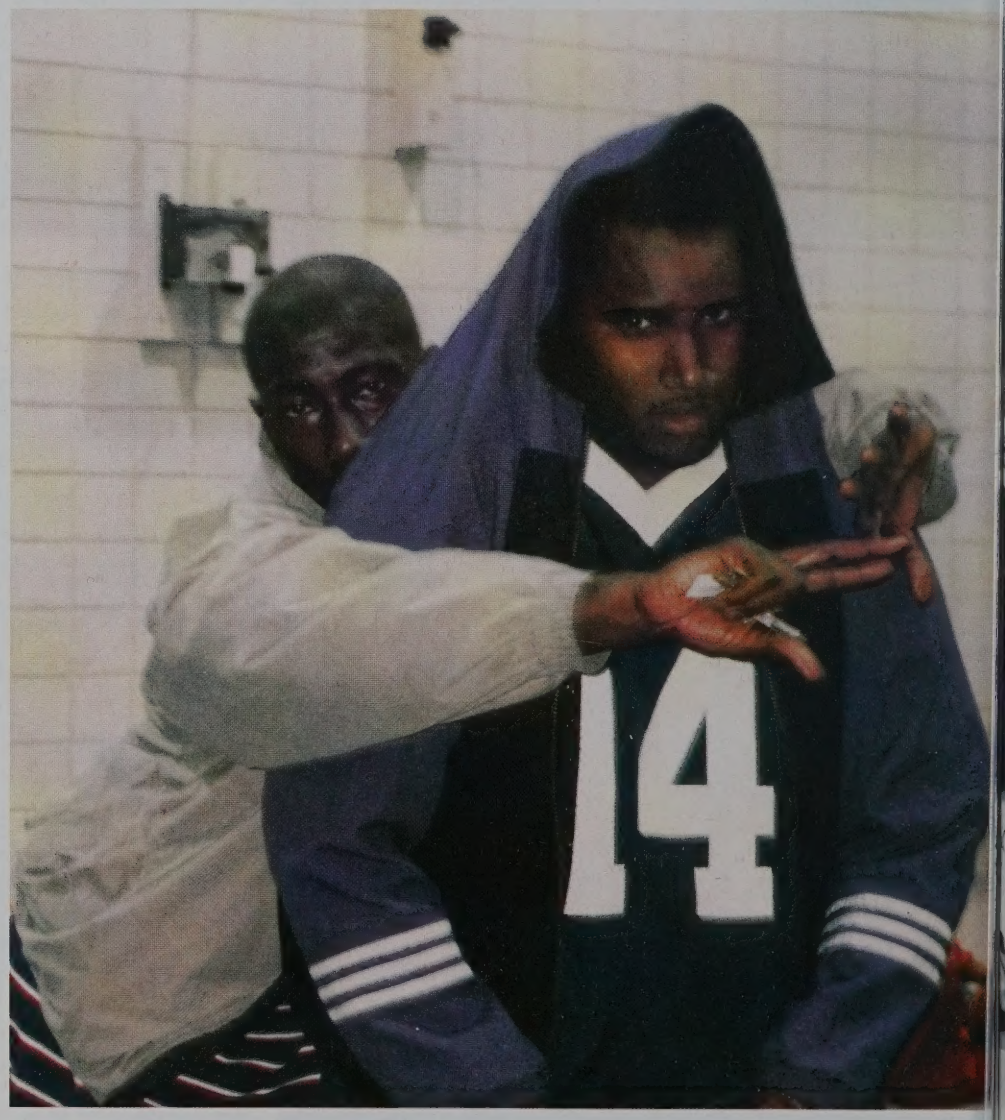
Our football games now have five quarters, but the fifth quarter is a party. It was held after every home game at the Hopewell Community Center from 10 p.m. to 12 a.m. This was a time that enabled P.G. students to enjoy themselves with peers after the game while setting parents' minds at ease. Some students played games such as basketball, volleyball, table hockey, and pool. Most were having such a good time that the two hours just flew by. All in all, the fifth quarter party was a good idea and a great success which will be a continuing legacy at P.G.H.S.



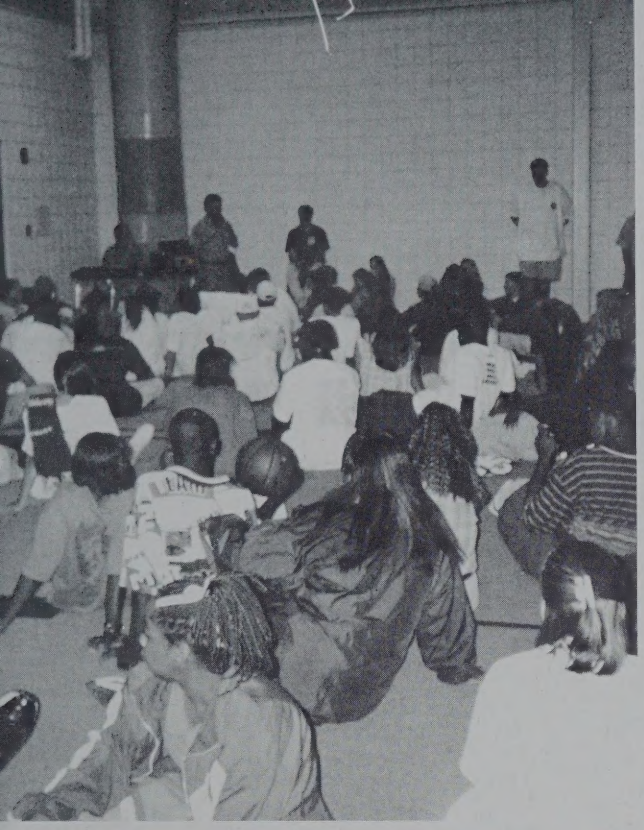
Ready, aim, FIRE!



I got it, I got it!!!

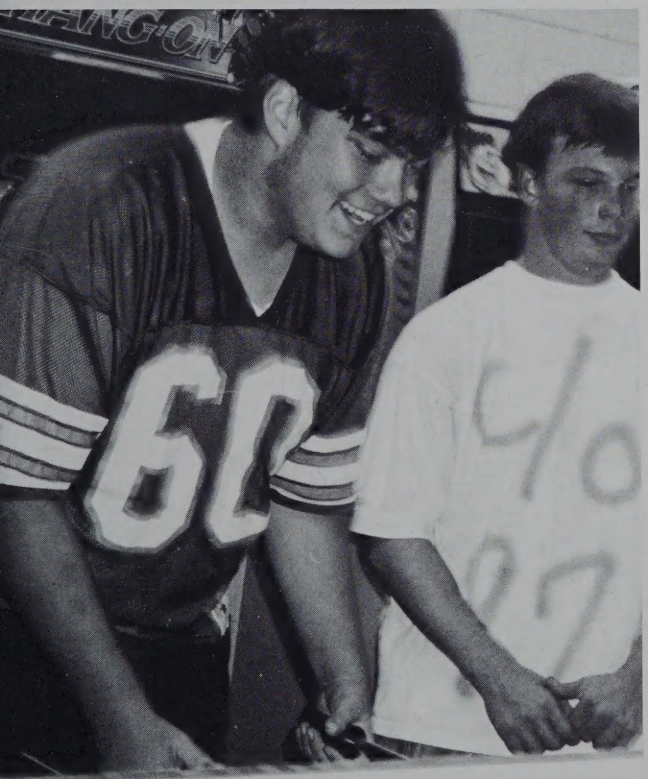


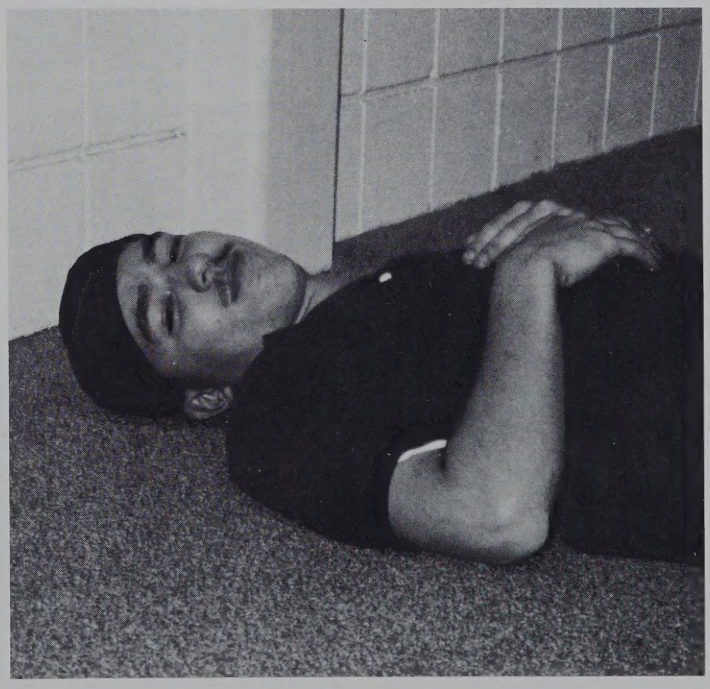
Levar says, "You can always lean on me."



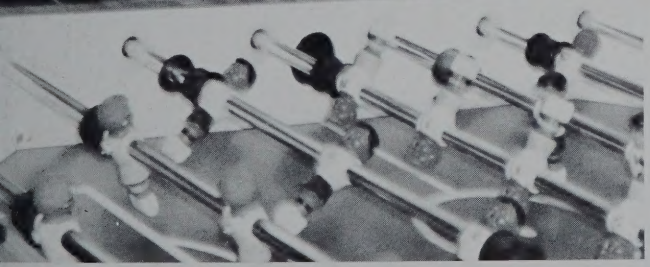
Gather round! It's story time!

Eight ball, corner pocket.





Wake up! It's a party!



I'm winning, I'm winning!

Military Ball

Kris Anderson and Angela Bennett were runners-up for Military Ball King and Queen.

Please don't cut me!

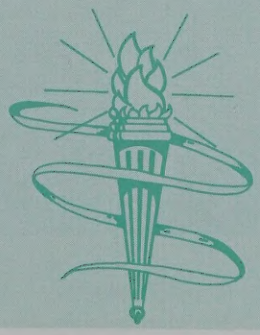
Checkin' in.

LaWayne Bland, Tammie Everette, Kris Anderson, Angela Bennett, Jermaine Simpson and Keisha Cutler were the candidates for Military Ball King and Queen.

Jermaine Simpson and Keisha Cutler are now pronounced man and wife.
Third runners-up for King and Queen.

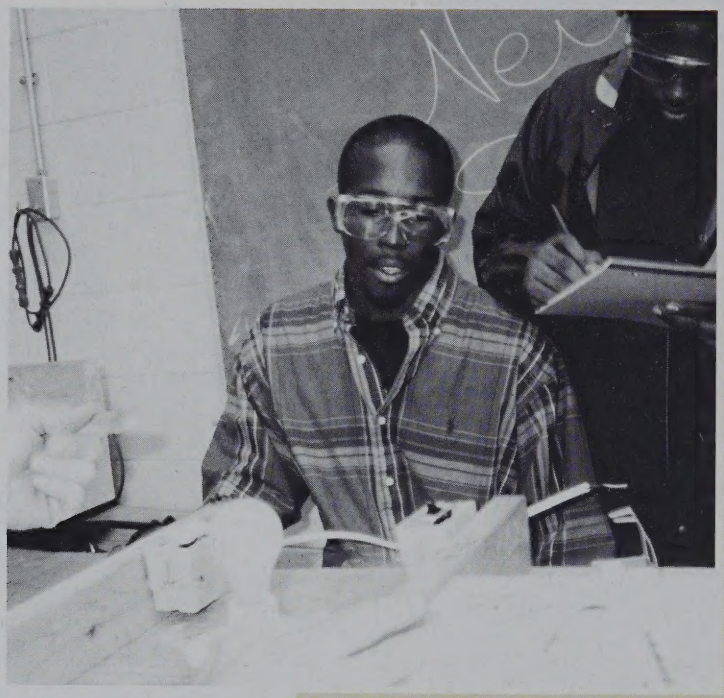
Huh?

The 1996 Military Ball was held for both Prince George and Hopewell High Schools on March 16 at the Fort Lee Officer's Club. Tammie Everette and LaWayne Bland were voted King and Queen of the Military Ball. The guest speaker of the evening was Lt. Col. Michael Shackleford. He added a lot to the whole experience. All and all, the Military Ball was a great success.

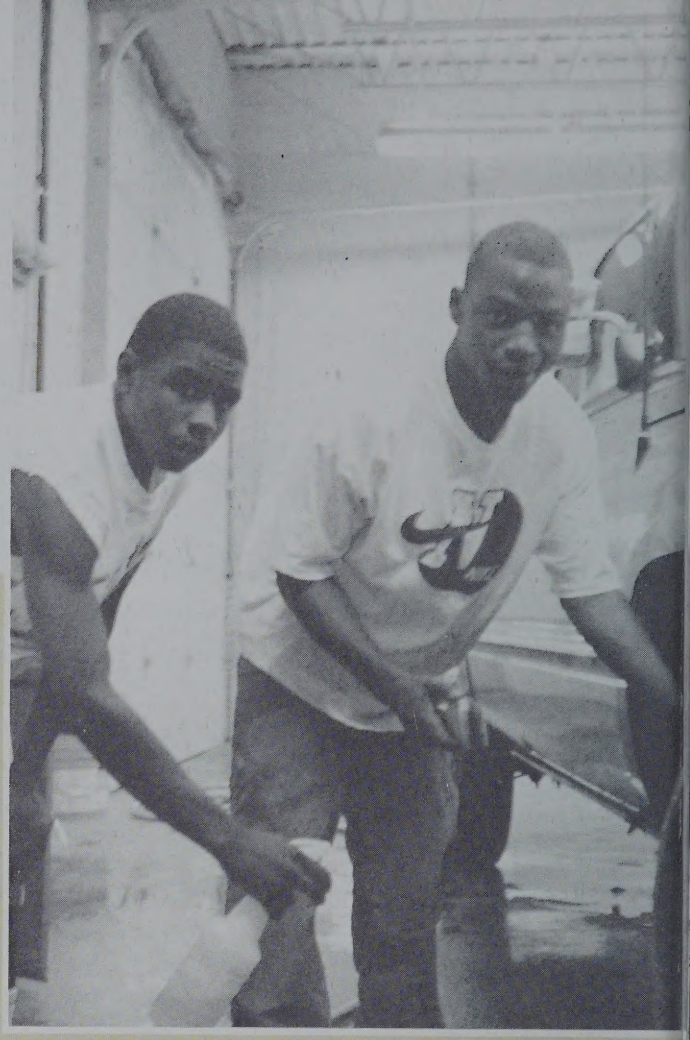


He's just glad he's with me.

Rowanty



BZZZZZZZZT!



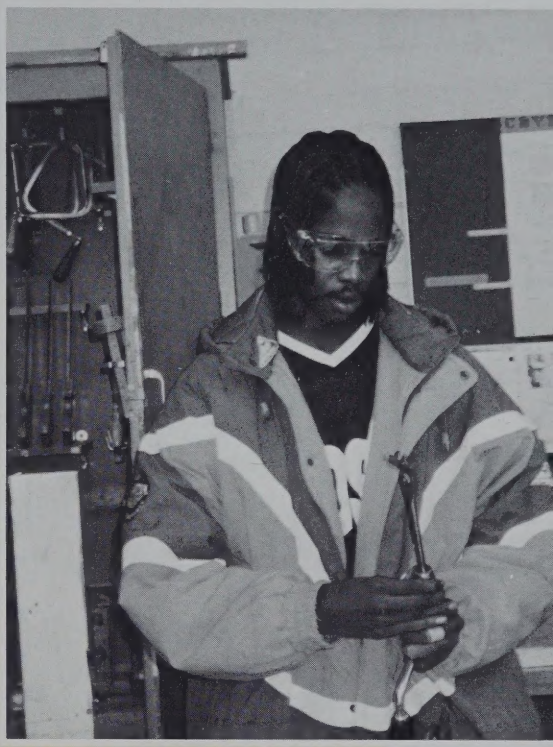
A few more squirts and it'll be spotless.

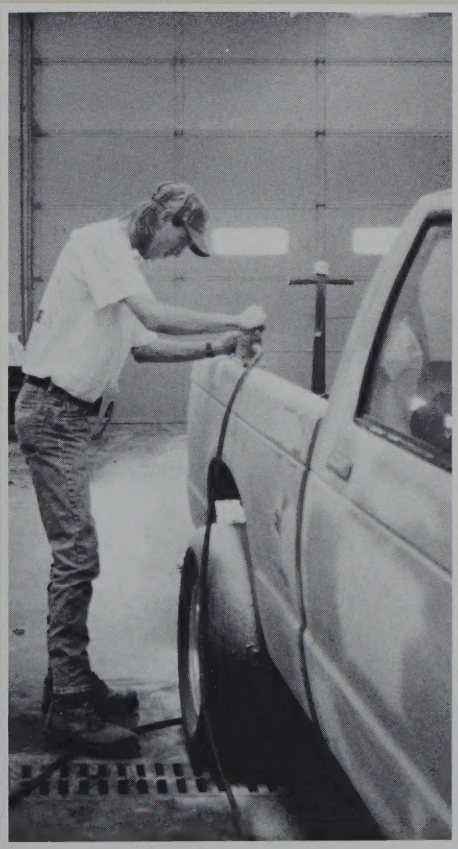
This may squeeze...just a little.

Will this make the food colder or warmer in this fridge?

I'm a beautician, not a magician.

Is this the right tool?





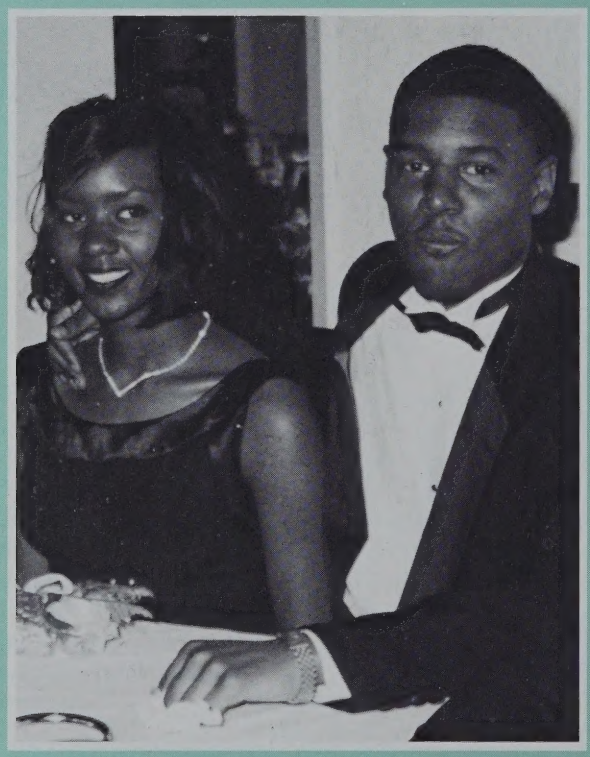
Unlike the everyday curriculum here at Prince George High School,Rowanty students face new encounters everday. The students are sometimes given weekly plans and sometimes whatever happens, happens. They work to prepare themselves for future careers, such as electricians, nurses, beauticians, and automotive technicians. Many of the students enjoy being able to "try on" the career before actually entering the field. Rowanty offers practical "action" experience which is enjoyable for the students while still maintaining academic course work.

This truck will look really awesome when I'm done.

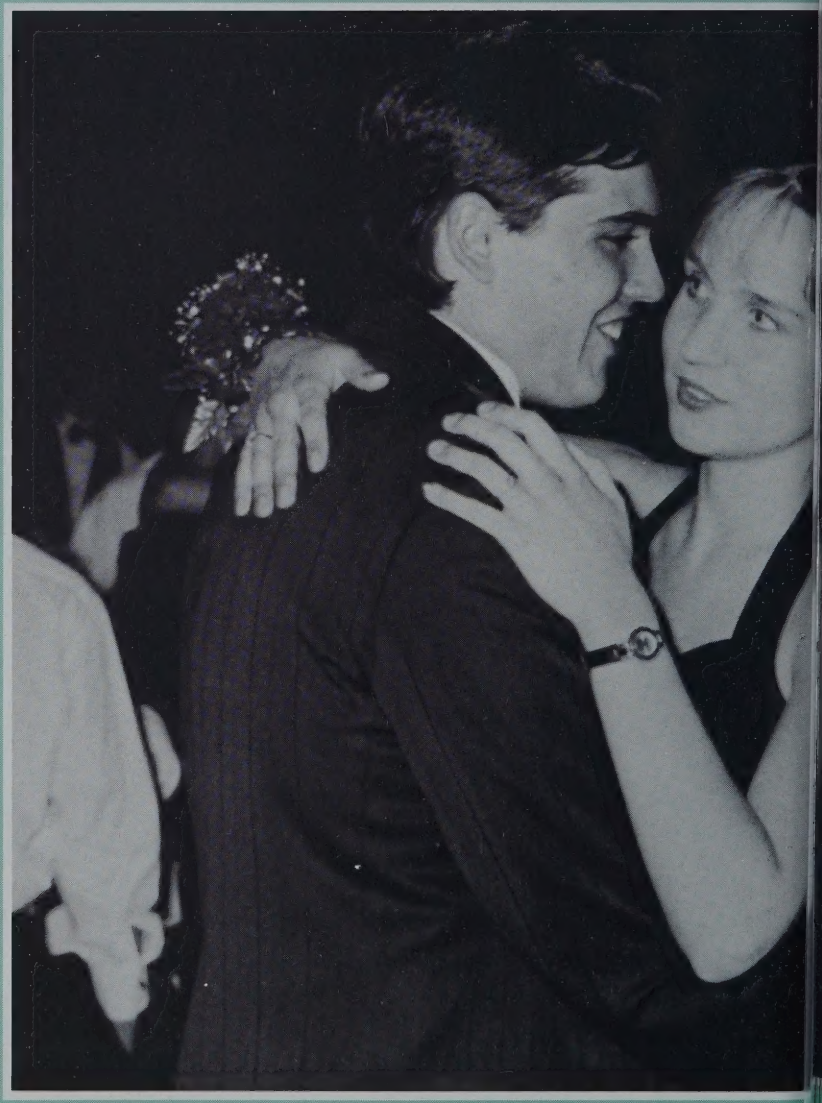
Once Upon a Time...

Prom '96 was a memorable evening of dancing and gathering together in celebration. It took weeks of preparation for some couples as they eagerly awaited that special night. At the Fort Lee Officer's Club, many people stood in silence as the king, Andre Lovelace, and queen, Bridgette Jones were crowned. "On the Edge of a Dream" was the theme for a night full of once in a lifetime memories. It was a special time that everyone will remember.

I'm the man. I got the CROWN, the WOMAN....What's next?



Oops! I hope she didn't notice I forgot my checkbook.



Oh what a night!

The ultimate escorts.

Hey! Are you listening to me?

No, no, she's not my date.

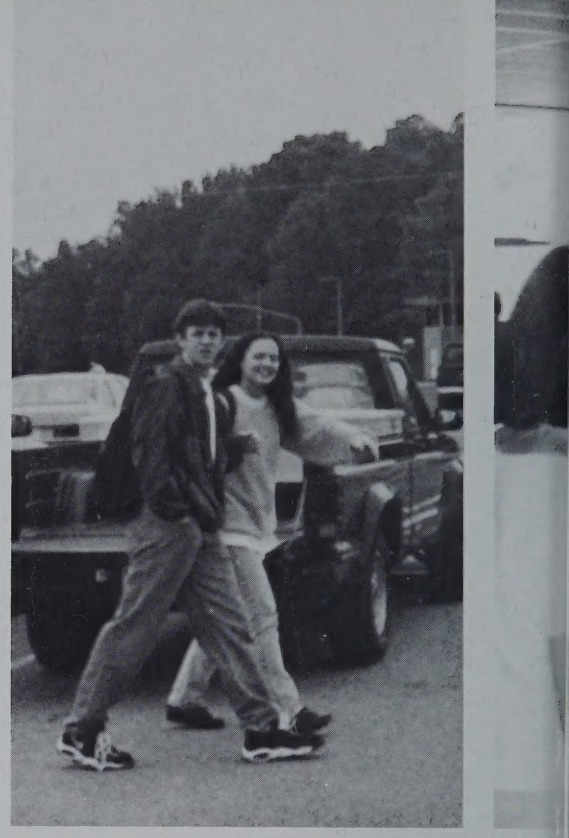
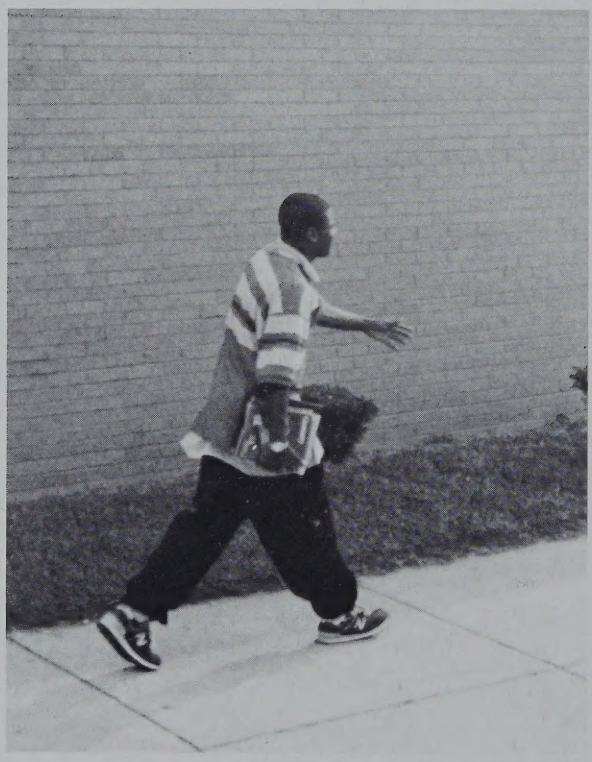
Hurry!

Time's

Up!

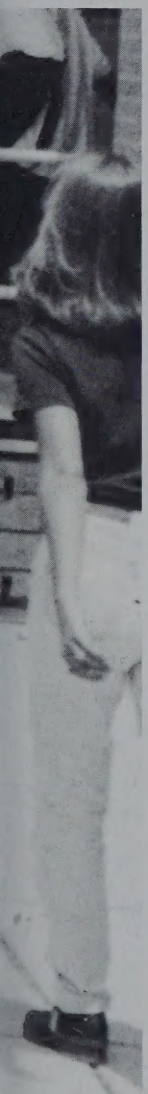


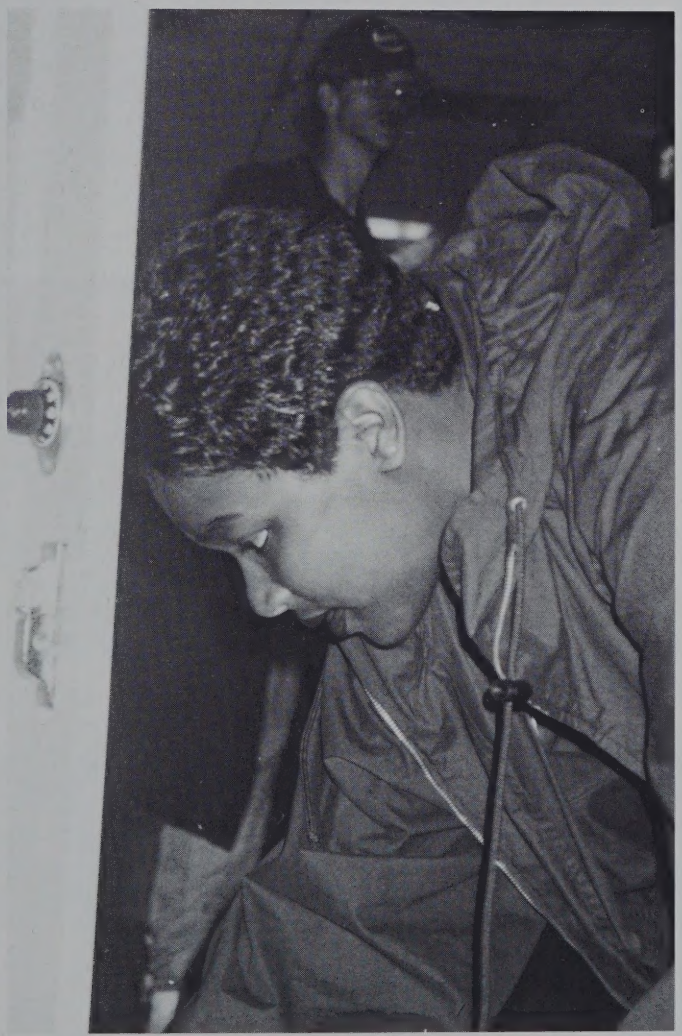


Above: "I'm late, but I'm the bomb!"
Right: "I hope the bus doesn't leave us!"

How are Prince George students and ants alike? They both scurry to and from their destinations for the sake of time.

Everyday at PGHS, hundreds of students end up clogged helplessly in the confining hallways of the school. Pushing and shoving, they strive to break free of the traffic jams and proceed to class or talk to their friends.



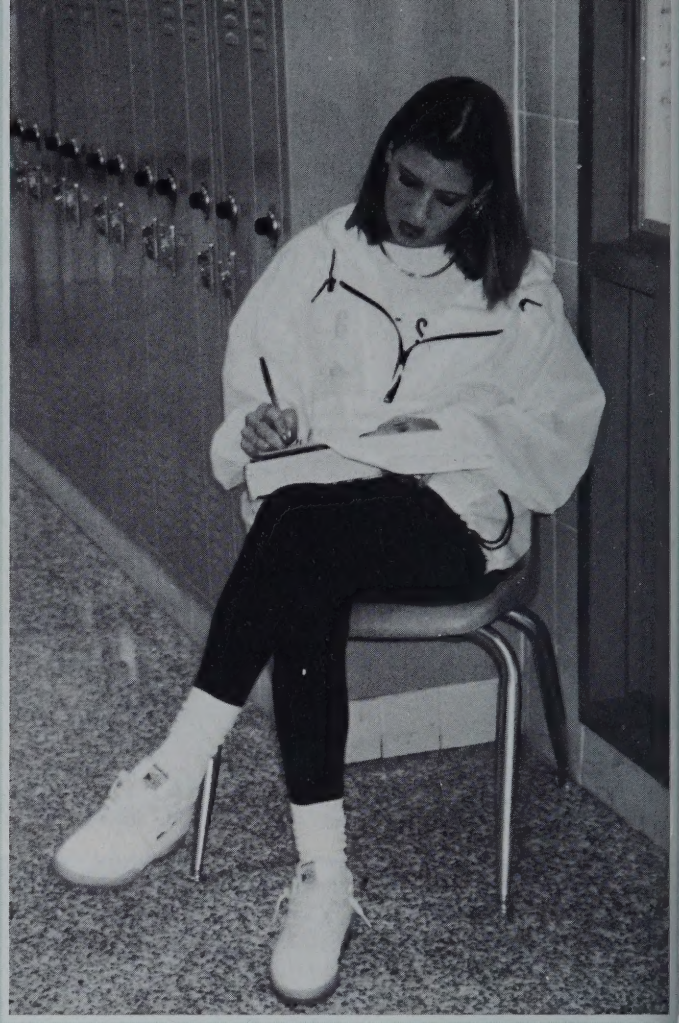


"Looking in this small locker for my books takes too much time."

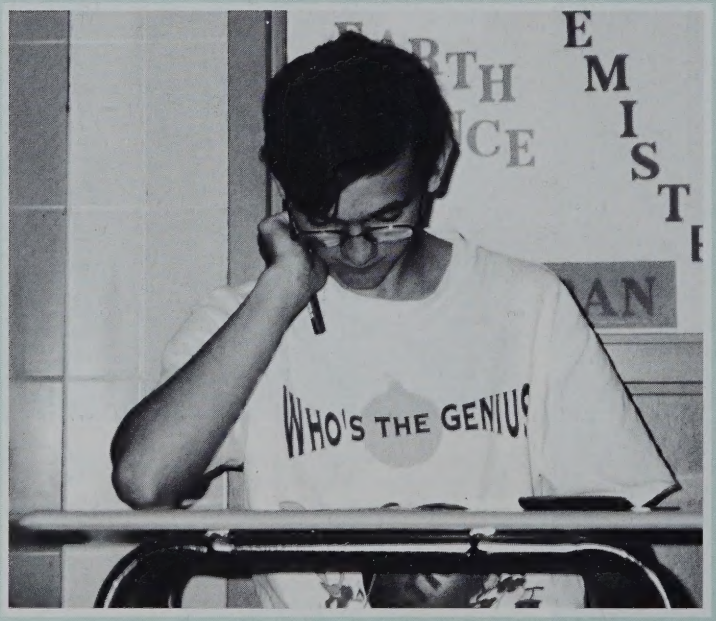
The Door to A-Wing from the Commons area seems to be the largest area for hallway traffic disaster. Running and dodging, students do everything they can to get to their desired destinations. So hurry, 'cause theclock's ticking away!

STUDY TIME

"I think I can, I think I can!"



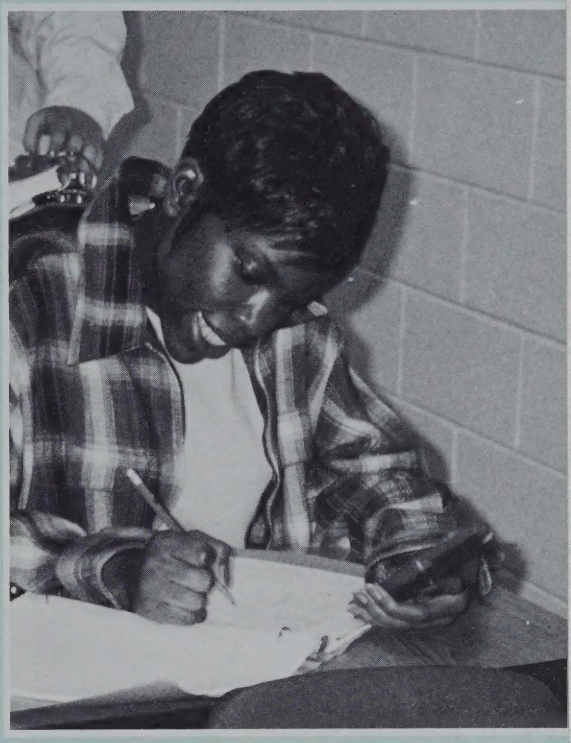
An "A" in progress.



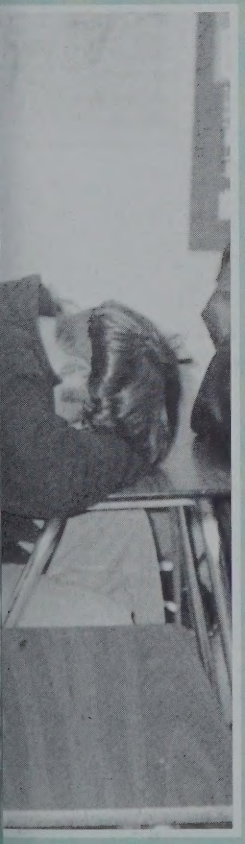
"Who's the genius ? I am ! "

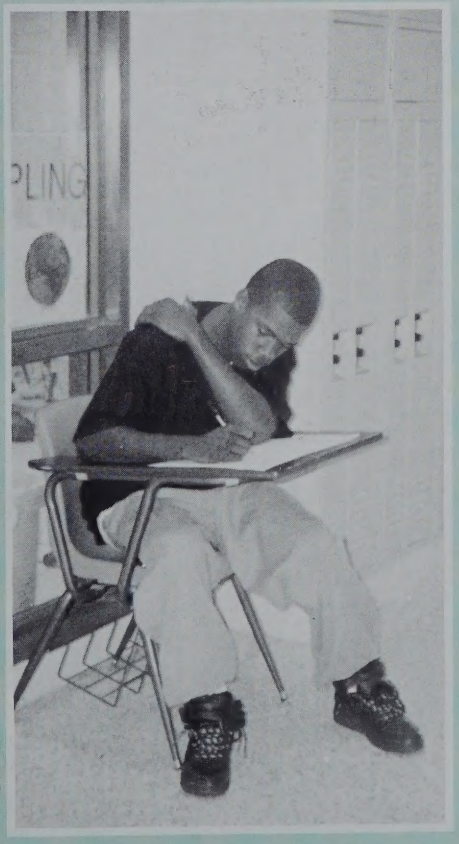
"This is so exhilirating ! "

"AHHH! Can't it get any easier?"



"Nine times six is...?"





'This is killing my arm!"

Test. The word sends shivers down the spine of almost any student you talk to. Students at Prince George have many different ways of preparing for tests: making lists, rereading notes, quizzing yourself or a friend, or thinking you know it all. Whether you thoroughly prepare for your tests in advance, or you're into cramming thirty seconds before the bell, we all have our own study habits.

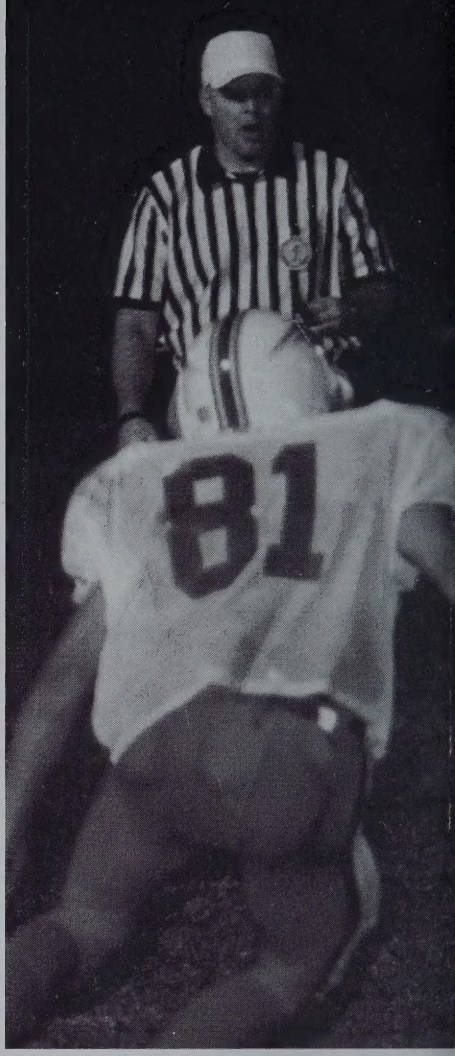
Varsity Football



The 1996 Varsity football team gave a valiant effort this year and missed the playoffs by only one game. The highlight of the season was the defeat of their biggest district challenger, Thomas Dale, who was ranked number three in the state at the time! A great effort was made to keep the team working together by Brian Taylor, Kenny Carmichael, Kyle McDaniel, Jermain Simpson, and Scott Clay, the team captains. The strong linemen also showed a good running game and a great defense to help the Royals win. Brian Taylor and Jermain Simpson made First Team All-District. Jermain led the defense in tackles and Brian had a record-breaking season, rushing for 1436 yards. It was another enjoyable season led by a greeat coash, Cary Parker.

Girls' Tennis

The Girls' Tennis team had an incredible season. The team gained many tough victories as they skillfully made their way around the courts. As are most of our teams, our girls are driven to success by their team spirit and enthusiasm. Led by Coach Cash, the Girls' Tennis team as a whole achieved a great deal. Cash commented that the girls did "great! We had five new girls." And he saw "tremendous improvement." Whitney Shaw, a senior, showed great promise as she helped lead the team in winning their division. With contributions from each player, our team had an incredibly successful season.

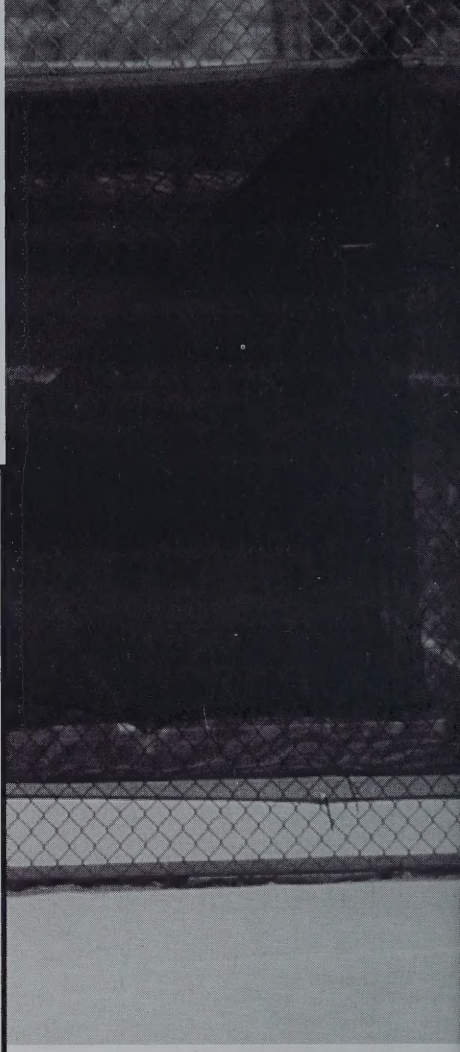
Boy's Tennis



There is only one way to summarize our boys' tennis team: They are champions. Matt Boisseau, Frankie Scott, Bobbie Bridges and Jeb Eakin were the leaders of this finely tuned group. There was a great "balance" of skill throughout the team and everyone added something: Some players receiving special honors were Matt Boisseau (Central District Singles Champion, doubles finalist, All-District and All-Region), Mirza Iljazovic (singles finalist, doubles finalist, going to All-District, All-Academic, All-Region and All-Region Academic), and Frankie Scott, who took part in All-District and All-Academic. Although Coach Cash is leaving, the team will never forget him and his many contributions to the school and the team.

The JV Baseball team was young this year, but they played well and finished the season 6-6. The team was led by Randy Patrick and Chad Fisher. They had only one returning player; however, working as a team they scored five runs in the bottom of the seventh inning to beat Thomas Dale and Coach Ferguson said it was the highlight of the season. Unfortunately, the team also had six games rained out. With many players returning, the team looks forward to a promising year in 1997.

After a slow start at the beginning of the season, the JV Girls worked hard and fought back. They had a 6-0 record at the finish of the season. All the girls worked very hard and this lead to a fantastic season. Another contributor to the girls' success was Shannon Bresko, and their coach, Ms. Jones. These young ladies worked hard to improve their softball skills daily, which was one of their many strengths during the season. The hardest won victory was the second game, against Thomas Dale. Even though Thomas Dale had more experienced players, our JV girls stuck together and won. This was the best game of the whole year. Great job, girls!!!

Their best brought about seventeen victories, the most in the school's history." Several of the team members were honored: Jessica Bailey, Rachel Morris, Loretta Sexton, and Dawn Saunders made the All-District team. Rachel Morris was also named Co-Player of the Year.

Varsity Cheerleading

The spirited leaders of P.G. have had a most superb year of cheerleading. This 1996-1997 squad has been led by Ashley Heath (captain) and Pamela Jones (co-captain). These young ladies have been very busy. They have cheered for the football and basketball teams as well as performed in two intense competitions. The first competition was held at Petersburg High School. At the Robbin's Center in Richmond, the team participated in the competition and won second place. This cheerleading squad has proved to the school that cheerleading truly is a sport not be underestimated. Good job ladies!

Members had six projects which they carried out through year. During American Education Week (November), they collected flash cards to hand out to Walton and Beazley elementary schools. In December student volunteered to sort canned food for the Elf Helper's Organization. When midterm exams came in January, these club members helped tutor students and prepare them for exams. Throughout March they had an Easter canned food drive and in February took the American High School Math Exam. They also provided treats for all teachers during Teacher Appreciation Day. The Simulator in action.

The Neon Drunk Driving Simulator was brought to PGHS by Mrs. Lisa McDaniels and SADD. The purpose was to show students that your reactions are delayed while intoxicated and the possible tragic results. Many students drove while others rode along for the experience. Most participants said that after their experience, they would not attempt to drive drunk.

"The 'Pride of Prince George' is always hard at work. Throughout the school year, they provide excellent musical performances for the school and community. The Royal Band is comprised of the marching, concert, and pep bands. This years leaders include: Lori Brantely, Drum Major; Ryan Hodges, Head Majorette; Shavonne Thweatt, Flag Captain; Heather Hoffman, Captain; and William Bannister, Captain.

The Royal Band has been long recognized for its outstanding performances, and this year proved to be no different. The bands were well recieved at half-time shows and in concert; several times accepting standing ovations. The highlight of the year was receiving an invitation from the Apple Blossom Festival to perform in its Grand Feature Parade. The festival is one of the nation's band competitions. The students did hteir superior job marching in the Festival Parade on May 3 and enjoyed the sights and sound of Washington, D.C. It was an overall great weekend and a good way to end the school year. Hard work is what makes the Prince George High School Royal Band the 'Pride of Prince George'."

GUILTY!

And the verdict is . . . .

The Model Judiciary program is an organization designed to e xpose its members to the possiblity of a career in the legal system. Students involved are required to prepare and present a case in a competition with other schools around the central Virginia area. The mock trial was held in front of a real judge and jury. Members also prepare an appeal to the Virginia State Appeals Court, and if selected, on to the state supreme court. Each year a different trial is assigned. This group was chosen to represent the prosecution in a case which involved breaking and entering and destruction of school property. Although they didn't win their case, the group put forth a great effort and defended their arguments well. Later, they went on to win their appeals case!

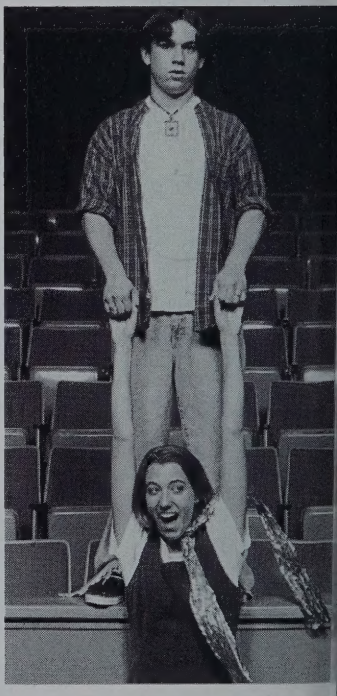
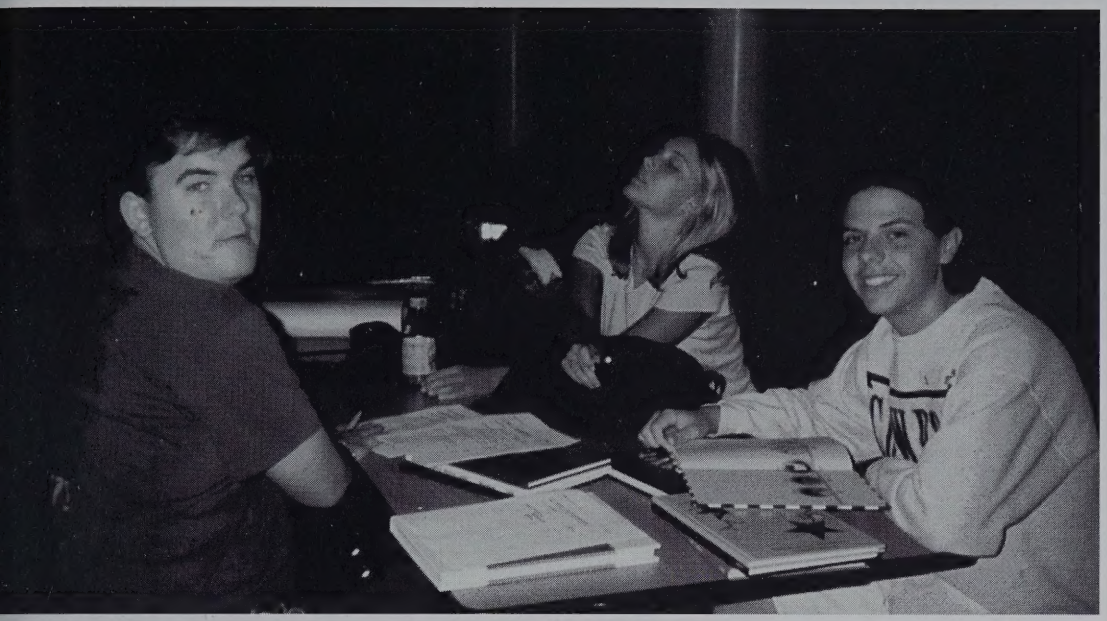
The yearbook class hard at work on club photo day.

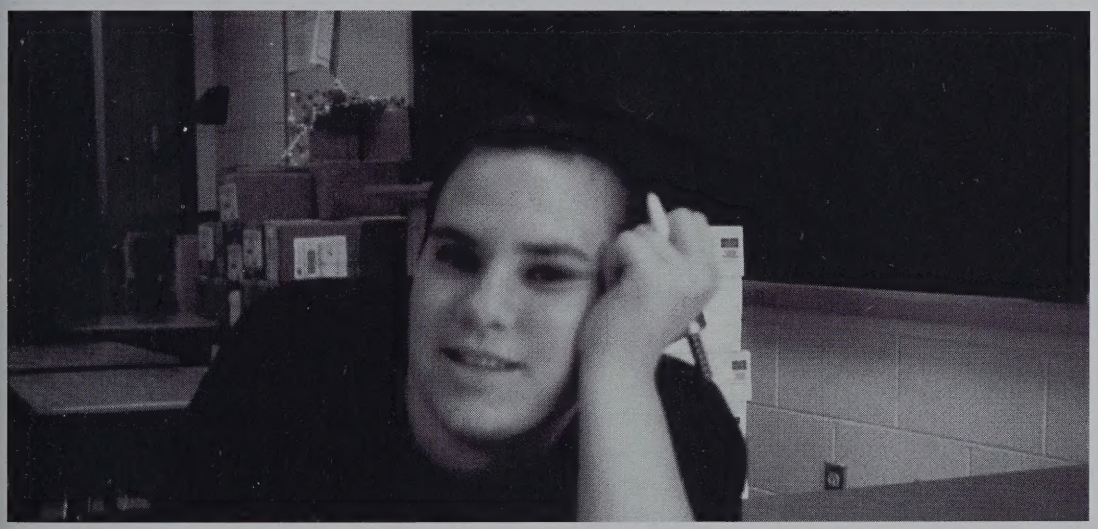


Please don't drop me!

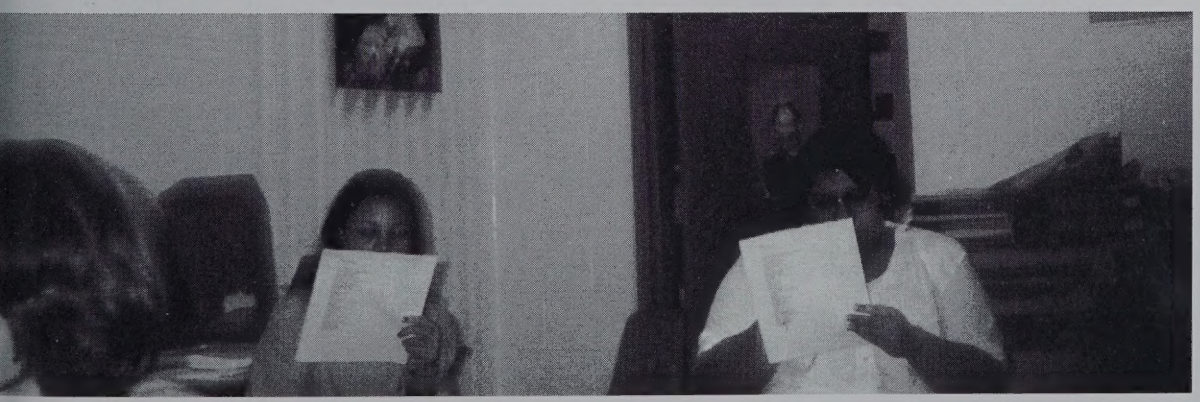


Yearbook camp is so much fun at 8:30AM.

When you walk by the yearbook class during sixth period, it may seem like chaos; however, it is really lots of hard work and organization. While yearbook isn't all hard work, there are times when decisions must be made that can be tough. This year the staff had the pleasure of working on two new computers complete with Windows '95, CD-ROM capabilities, and all the extras of desktop publishing. Yearbook journalism has moved into the 21st century.



Okay so what do I do with the pen again?



The yearbook club hard at work.

TMH

"There are thirteen TMH students here at Prince George High School. They have many opportunities to explore and learn about their community and themselves. They learn functional academics, community life, domestic, and vocational skills. All of the students during the course of the year visit community businesses and recreational areas. They also help many local businesses with special projects. These activities assist students in developing a variety of vocational skills in preparation for future employment. Both students and teachers are enriched by the experiences they share throughout the program."

"A Thousand Cranes"

"A Thousand Cranes" is a one act play by Kathryn Schultz Miller. PGHS's drama club performed this play for the student body in October. The story of the play is based on a true story of a twelve-year-old girl who became ill with" radiation sickness"or leukemia ten years after the bombing of her city, Hiroshima at the end of World War II. The story of the crane came from a myth that if the sick person folds a thousand, his or her wish will be granted by the gods. Unfortunately, the character of Sadako dies before reaching a thousand, but her spirits are lifted in her last days. The remaining 365 cranes were folded by her friends and classmates in her memory. Sadako's friends had the idea of building a monument to their friend and all other children who were killed by the bomb. In 1958 the statue was unveiled in Hiroshima Peace Park in Japan. Sadako's wish is engraved at the base of the statue: "This is our cry, this is our prayer, peace in the world."

WITH RUE MY HEART IS LADEN

With rue my heart is laden
For golden friends I had,
For many a rose-lipt maiden
And many a lightfoot lad.

By brooks too broad for leaping
The lightfoot boys are laid;
The rose-lipt girls are sleeping
In fields where roses fade.

SAT MADNESS

The Scholastic Aptitude Test is viewed by many students to be "a bigger deal than it should." The pressure colleges have put on students now to score well on SATs has increased. As the SAT dates draw near for the summer months, students study all weekend. However, there are some things a student can do to prepare earlier. For example, various bookstores have SAT study guides that are relatively easy to use with practice tests and tips inside. SAT flashcards were offered through Troll Book Club for English and math, and last but not least ,there is a SAT study class here at the high school. Although the SAT's can be frustrating, there are ways to prepare on your own and with the help of a teacher or counselor. Good Luck!

Sometimes we have no clue- so we go to Guidance for picture I.D. Guidance- Ms. Sturt, Ms. Selin, Mr. Bailey, Mr. Hard, Ms. Preston, and Ms. Davis- thank you all. Without your help we would have given countless people identity crises.

The "we" to which I have been referring is the yearbook class- Derek, Andrew, Alice, April, Angie, Paulette, Shandale, Jacob, Esmerelda, John, Eugene and, last but not least, Marjorie...you guys did and do great work- KEEP IT UP!!!

For some odd reason Ms. Bradley and Ms. Greene didn't murder the entire class; for this and for all the help they gave us we are thankful. Also, Kevin- you rock. Good on you three for keeping us- somewhat- focused.

Ich wunsche naturlich das Jahrbuchklub danken- Amiracle, Andrea, Aliza, Billy, Leah, Bianca, Ashley, April T., Birju, Olivia, April M., Leia, Chris, und Nia. Without you, we would STILL be mired in the panel pages.

COLOPHON

Also- Robert, who actually graduated last year but STILL came in to help...words cannot express the profoundness of my gratitude.

Remember, folks, you can't always get what you want, but if you try sometimes, you just might find, you'll get what you need.

PS... Crazy? I was crazy once...they put me in a rubber room!

PPS... Cat enough for you?

Hey Babes!
Good luck
Next year!

Been through alot of hard times this year, alot of hard times. But through it all we're still here. It's probaly prethy weird having a friend married already, but thats todays world, and me. Boy, two jobs & ~~good~~ Luck. This summer will be really different, but Carla comes down so maybe we'll do somethings together.
